The Live Oak Foundry and Machine Shops have recently constructed a neat, commodious and comfortable business office just east of the machine shops, and friend Cook, the bookkeeper, is so proud of it that he can hardly tear himself away from it long enough to sleep and eat. There is perhaps no better equipped enterprise of its kind in the state than the Live Oak Foundry and Machine Shops.

Among the new buildings to soon go up in this city is a handsome three-story brick building on the corner of Howard and Pine streets on the lot owned by Mr. Pete Burnett. This is one of the best business lots in the city and is a splendid stand for a mercantile business of any kind. Mr. Burnett has not as yet let the contract for the building, but he has fully decided to have it erected at an early date.

Mrs. J. C. Baisden is arranging to give the cantata, "The Day of Rest," in a short time. This is probably one of the most beautiful pieces of music ever published. It will require between thirty and forty voices. It will be given on some Sabbath evening in the Methodist church. Mrs. Baisden wants two good bass singers to complete her work. She will be assisted by the best

talent the city affords, regardless of denomination. This grand and uplifting song is soul-stirring and deeply touching, inspiring, full of melody and a rare treat for all Christians and lovers of such divine songs. The beginning of this cantata is "The Heavenly Day of Rest" and it is well worth the time and trouble of listening to it. It is a masterpiece of music and will be given at the Live Oak Foundry and Machine Shops.

The Suwannee Hardware Company are in receipt of another shipment of the celebrated Hampton plows, making the fourth order this company has placed for this plow this season. On account of the unprecedented sale the Suwannee Hardware Company, who are agents for the Hampton for the territory embracing Suwannee and six of the adjoining counties, have placed an order for a solid car load of Hampton plows and plow parts for next season, and hereafter their customers will experience no inconvenience in securing plow parts. The Suwannee Hardware Company are determined their farmer customers and friends shall have an opportunity to try the best plow on the market—the Hampton—and at the same price they would have to pay if they lived within a stone's throw of the factory.

C. J. McGehee was in the city several days the latter part of last week looking after business interests. It is reported that Mr. McGehee contemplates moving his family back to Live Oak, and we all hope the report is true. They would be greeted here with a cordial welcome.

New business enterprises, new capital is being invested and Live Oak is going to grow and prosper. Real estate values will continue to increase, and the man who "sits steady in the boat" and invests his money in Suwannee county town, city or country property, will make big interest on his investment.

Mrs. C. H. Brown gave a party Saturday afternoon in honor of her little daughter Brownie's fifth birthday, to which a number of her little friends and playmates were invited. There were nearly forty present and they all had a merry and happy time. Little Brownie was the recipient of a number of pretty presents.

L. F. Ingersoll and family, and his son-in-law, W. B. Lewis, and wife, of Kentucky, and Waterman Dowling left last Saturday for Steinhatchie Springs where they are enjoying the camp life and having a great time fishing and hunting. They carried a tent and all the necessaries to have a good time at that popular resort.

Dr. Armstrong, the well known Jacksonville specialist, will make his next professional visit to Live Oak Feb. 4; office, Hotel Suwannee. The Doctor has been very successful in overcoming all forms of eye troubles, also the straightening of cross eyes without knife. Hereafter the Doctor will make visits every four months.
